One of a Kind Show and Sale: Uniquely You

You made a list. Checked it twice. And realized it was nothing but generic labels and uninspired gifts. Avoid a mass-brand meltdown with the most unique offerings at One of a Kind Show and Sale NY. Featuring hundreds of North American artisans and designers, it's your one-stop holiday shop for creative giving.

A festive preview night allows savvy shoppers first dibs on items as well as access to bars, fashion shows, and a special musical performance by singer/songwriter Leslie Mendelson. An extra gift for you? Two-for-one show admission.
