Join some of our talented members December 11 thru 13 at New York's first [One-Of-A-Kind Show](#). Their mission is to bring together the very best in fine art and craft and they found it in jewelry by our own [Caja Jewelry](#), and [JDavis Studio](#) and home design by [Pink Baby Mouse](#).

[Caja Jewelry](#) is all hand cut out of sterling silver with shapes ranging from the intricate swirling letters of a nameplate to the fine lines of a tree branch. Combining their metalsmithing skills with their playful sense of humour and eye for design, Juan and Andrea create stunning jewelry. Also featured on pages 18 and 19 of [The {NewNew} on-line catalog](#)

[Pink Baby Mouse](#) makes pillows with quite a sense of humor. From the irresistible [cone cats and dogs](#) to the new [Sensitive Centaur](#). The colors and shapes are bold graphics that will bring any couch to life.

[JDavis Studio](#) creates unique pieces in sterling silver using a house motif on necklaces, earrings and rings. Sometimes pairing the small home with trees and other objects to create welcoming little environments to take with you. Also featured on pages 24 and 25 of [The {NewNew} on-line catalog](#).

The One-Of-A-Kind Show takes place at [Pier 94, 12th Ave at 55th St](#) with shuttle bus service from Columbus Circle. For more information check their [website](#).

Friday, December 11 11am – 8pm
Saturday, December 12 10am – 7pm
Sunday, December 13 10am – 5pm

While your are there perusing our artists's handmade wares, stop by the Etsy table to make an ornament at their make and take table. There you will find our very own [Alton Weekes](#), (also featured on pages 2 and 3 of [The {NewNew} on-line catalog](#)) on break from his stationery shop to help promote The {NewNew} and Etsy at this event.
