Open Call

One of a Kind Show and Sale® NY

The One of a Kind Show NY is back and better than ever with new dates and a new venue for 2010. The show will run over two weekends in November, both November 11-14 and November 18-21 in New York's highly trafficked Midtown area. Artists will showcase their work in an upscale premier gallery style setting with a booth package that includes hard walls, carpet and drayage. MMPI's 7W New York building is located across from the Empire State Building and a block from Herald's Square. This venue gives shoppers access to some of New York's best restaurants, hotels and entertainment, with convenient access to public transportation.

Come exhibit in the world's center for art, fashion and culture!

Please note there are only 150 spots available each weekend so apply for one or both weekends NOW!
